

"Hands Up, Who Wants To Be Shown **How To **Create Wonderful Quilling Pieces As Quickly And** **Easily As Possible?"****

Dear Quilling Friend,

A question. Do you want to have access to a single source of information on Quilling (including getting your hands on some free quilling patterns & wonderful card making tutorials) that will tell you everything that you wanted to and all you're ever going to need to know about Quilling? Then this is going to be one of the most important messages you're ever going to read.

Here's why:

We're launching an exciting e-book about Quilling called "Quilling Magic" that will teach you how to make professional looking quilling designs that look beautiful - and also how to create exciting 3-D designs, simply by following our patterns.

You'll be able to create 3 dimensional quilling works that are free standing!

What if we could show you how to create quilled works of art or folded roses using your own designs, but by following our easy step-by-step instructions. Wouldn't that be swell?

We will provide basic, easy to follow instructions for all shapes and scrolls, that even seasoned quillers will not have come across.
